- **Attend the AGM on Sunday 1 July, immediately after the race and BBQ – about 11.00am**
- **Any good ideas? Fill in a remit form and also drop it into the ballot box before the AGM. (remember you need to attend the AGM if submit a remit)**

- **Club Captain**
- **Secretary**

No club can survive let alone prosper without a willingness among members to help run it. Being a committee member is not complicated work, though it does require a commitment from all to attend and participate in monthly meetings – on the second Wednesday of each month, 7.00pm (6.30pm during winter) immediately after the race – and to carry out allocated duties and tasks.

Outgoing committee members are happy to pass on their knowledge and written job descriptions are available to get you started – just ask.

If you have not yet joined the club's Facebook group, please make a member request to be added – it's the best way to keep up to date on what's going on, last minute changes, and who is doing what and when. For example, if someone posts about doing a river trip it may be your opportunity to join in and get some extra training or put your Grade 2 paddling skills to test.

CRNZ News

Lisa Carrington has been selected to represent New Zealand in the K1 500m at the Open World Championships in August 2018. Lisa was the winner of the selection trial that was held over the weekend in Italy. She will once again compete at the Open World Championships in both the K1 200m and K1 500m events. This now concludes the Open Women's Sprint K1 selection process for 2018.

New Appointment

Double Olympic medallist Polly Powrie has joined Canoe Racing NZ as the High Performance Operations Manager. The Operations Manager position is a new role created as part of a restructure process in which the High Performance Director role has been disestablished.

Polly will have two main areas of responsibility; ensuring that athletes and coaches have the best possible logistical support to help them perform at the top level. This will include travelling to international events as team manager. She will also be responsible for building new systems and processes in CRNZ so that the organisation runs more effectively. These roles tie in with CRNZ's goal of providing a world-class organisation to support our world-class athletes and coaches.

Polly can be contacted on polly.powrie@canoeracing.org.nz
