

## WORLD MASTERS GAMES

### **What an event! Five days canoe racing! Memories to cherish for a life time!**

The opening ceremony on Friday evening 21 April, attended by club members Stephen Reece and Kat, Sean Murphy, Erika, and Vaughan Reed, was spectacular – and noisy. Whilst many complained about traffic jams, for us Westies going by train to Eden Park and back it was a relaxed, social and hassle free experience.

Monday morning the serious business of racing got under way at Lake Pupuke, first up being the K1 marathon. Unfortunately the wind decided to have a blast too, letting its fury loose on the lake and making things very challenging for all. Numerous submarines were spotted from shore, including one or two club members who shall remain nameless this time.

Behind the fence and up on the bank there was a real buzz among supporters cheering on their friends, mates and loved ones. Being among the supporters was also a great opportunity to catch up with other club members and even some long lost friends and acquaintances.

The afternoon's race starts (ski and multisport) were slightly delayed while the hard-working volunteers rearranged the course because of the wind. Those on skis said they enjoyed the choppy conditions while some in multisport boats found the conditions challenging. At least one was spotted swimming even before the start, and later one or two out on the course. Most admitted they found it hard work, especially going upwind right across the lake.

Fortunately, conditions were much kinder to the K2 marathon and sprint races over the following days.

The Waitemata Canoe & Multisport Club was well represented in marathon and sprints by Vaughan Reed, Sean Murphy, Phill Exeter, Simon and John McLarin, Nathan Livingston, Stephen Reece, Bruce Stuart, Michael Famularo, Ian Castell-Brown, Rosie Thom, Erika - and Peter Lipscombe in Ocean Ski. Michael also took part in the half marathon (athletics) and Vaughan in Ocean Ski winning Gold in his age group.

### **Medal Winners, some going home with several:**

Gold: Simon; Sean; Nathan; Rosie; Vaughan; Erika

Silver: Ian; Michael; Rosie

Bronze: Stephen

**K2** Gold: Phill & Bruce; Michael & Ian

Silver: Simon & Sean; Michael & Ian; Phill & Bruce

Bronze: Phill & Bruce; Simon & Bruce

Congratulations to all winners; well done! Apologies if I missed any names and/or medal winners. It's time consuming trolling through the results, which also contain all the heats.

## CLUB AGM AND SIMON MELGREN MEMORIAL RACE

### SUNDAY 25 JUNE, CLUB ROOMS

Race Start: 10.00am, followed by BBQ and AGM.

A number of committee members have either moved out of Auckland or are stepping down from committee. In order for your club to continue and to function we need members to step up and take on a committee role. Being a committee member is not rocket science – just some common sense and a willingness to attend one meeting a month (2<sup>nd</sup> Wed after race) and chip in with tasks.

From early next month we'll have a ballot box and nomination forms at the club rooms – please make use of these.

## SOUTH HEAD CHALLENGE - SUNDAY 1<sup>st</sup> OCTOBER

This is our club's premier multisport race. If you're not intending to race, please consider volunteering and help make the event a success. More info to come soon; meantime happy training! Less than five months to go to race day.

## COAST TO COAST TRAINING GROUP

Michael Famularo has created a Facebook page for club members and Aucklanders training for Coast to Coast. If you're interested and want to keep up with what this group is up to, visit, and ask to join:

<https://www.facebook.com/groups/651105538409142/>

Coming to grips with South Island river paddling can be challenging, especially for us living in Auckland and training on relatively calm and warm waters. So another source of information may be Whitewater NZ. This organisation publishes regular newsletters. To join visit <http://rivers.org.nz/membership>

**Here is an excerpt from their latest issue:**

### *An end of summer reminder*

**3's the magic number** *Paddling in threes will remove some of the stress when dealing with rescue situations. Here are just a few reasons why!*

- *You will have enough people to keep supporting an injured party member and also to paddle out to seek help or to inform people of the situation.*
- *Having enough people to chase down people and gear when required.*
- *Having enough people to hold on to ropes etc. in the worst case scenario.*

**PLB** *Having a Personal Locator Beacon (PLB) to assist in rescue scenarios is becoming a societal expectation and the norm when adventuring. PLB's are getting cheaper and cheaper by the year. The latest designs are waterproof, weigh very little and take up very little room in your PFD. This is becoming an essential resource to have in any whitewater rescue kit.*

**Daylight** Summer is coming to an end, so **daylight** hours are reducing. Remember to be smart with ensuring you have enough daylight hours to paddle out and to have fire lighting kit / bothy bag to help if overnighted.  
**Intentions** Leave quality intentions with loved ones or a trusted friend. Chat around common scenarios to have an understanding on what overdue means between you all.

And if you're a former member of the **University of Canterbury Canoe Club (UCCC)** you may be interested to know that they're having the 50 year celebrations 16-17 September. Info on [uccc50th@gmail.com](mailto:uccc50th@gmail.com)

## BOOKING CLUB BOATS

Use from the Club on Henderson Creek is free.

Daily Hire away from the Club is \$50, with the inclusion of buoyancy aid, paddle and spray deck.

Fiberglass boats must NOT be taken on rocky rivers.

No hire of accessories only.

### Club Hire Rules

- Hirer must be a club member.
- You must fill out the online form or contact the Club President – Vaughan Reed 021 612 753
- Pay for the hire before you take the boat and accessories.
- Return all hired items to the club in a timely fashion – there may be others waiting to use them.
- Don't lend or hire the gear you hired to a third party.

As this is not a commercial venture but a service to the club members, we request that you report any damage to the boat or accessory equipment to the President immediately upon return of hire.

- Neglecting to do this will affect your right to hire equipment in the future.
- If any damage to club gear occurs during the period of your hire you must pay for the repairs.
